**RE: Receiving Plaintiff's opposition to my motion to dismiss on August 27, 2010
Case # 09-cv-5735**

Your honor I have just now received the opposition to my motion to dismiss seven days after the ordered time in which I was to receive it. It does not give me enough time to respond to it properly, as well as it has not arrived in a timely manner as ordered by the court. I again ask for my motion to dismiss to be granted, and if not I need an extension of time to respond.

Respectfully,

Renee Scroggins
